

# 2024 SPONSORSHIP OPPORTUNITIES

TOUR DA GOOSE DATE: JUNE 22, 2024

Sponsorships help us maximize every dollar raised. All proceeds will support Rock River Community Clinic (RRCC), which provides medical, dental, and behavioral health care to all community members in Jefferson, Dodge and Walworth Counties regardless of insurance or ability to pay. Filling our sponsorship slots would raise 80% of our \$50,000 fundraising goal, allowing us to maintain a low participation cost for our riders.

**Tour da Goose would not be possible without the help of our sponsors and community partners. We greatly appreciate your consideration.**
