

2023 SPONSORSHIP OPPORTUNITIES

Sponsorships help us maximize every dollar raised. All proceeds raised go to Rock River Community Clinic (RRCC), which provides comprehensive and cost-effective health care services to ensure all residents in Jefferson, Dodge and Walworth Counties have access to quality medical and dental care. With the support of sponsors, volunteers and riders, we can make a substantial difference in many lives.

Tour da Goose would not be possible without the help of our sponsors and community partners. We greatly appreciate your consideration.
